

## **Opportunities for Professional Volunteer & Internship/Field Placement with Coalition for Healing & Recovery - Middle East**

**Invaluable professional & personal experience** is available for those who wish to be part of creating an unprecedented Coalition of Disaster Health Care NGOs providing critical health care on the ground to victims of war & violence in the Middle East

\* Involvement can be **fully virtual or optionally in-person**, and is typically custom-designed to match a volunteer's interests, skills, experience, time, and schedule. option  
If you are looking for a way to contribute there are many options.

### ***Opportunities Are Available For:***

#### **Professional Volunteer**

Placements offer meaningful professional work experience documented for resumes, as well as unique opportunities to meet & work with experienced, leading edge professionals.

#### **Internship & Field Placement**

Internships & field placements are available in related fields, with a student's university approval

Those interested in learning more about how you can be involved in being part of this landmark coalition can **contact:** Steve Olweean, Director Common Bond Institute,  
SOLweean@aol.com -or- Cell/WhatsApp: 1-269-501-5453
